DISTRICT 11-C2 NEWSLETTER

I want to welcome everyone to the 2011-12 Lioness District year. I wish everyone luck in their endeavors for the upcoming year.

I have been busy already this summer. Started out by designing our pin and honoring our district founder and past District President Karola Klette. Then Denise and I visited DeWitt Ox Roast. Played Bingo (didn't do well HAHA), but we had a good time anyway.

We then participated in the Eyebank Lions/Lioness Leadership Forum at the Dow Diamond, in Midland. We were then treated to a ball game supper (brats and beans) then we watched the Great Lakes Loons win in the bottom of the 10th! Then a 30-minute fireworks display after the game. What a good time!

Always remember it only takes pennies to help the blind. Pennies make dollars, dollars cover exams and glasses.

Good luck this year,
Your special president
Tracy Temple
